Human Resource,

Metropol CRB,

NAIROBI.

Dear Sir/Madam,

My name is Brian Otieno Auma, and I am thrilled to express my interest in Systems Administrator position at Metropol Corporation Limited. I was excited when I came across your job post in search of System Administrator through a friend and I believe with both my education, communication, inter-personal and time-management skills makes me not only an ideal candidate for the position but will also help me excel as an employee at your company.

As a recent graduate from Zetech University, with my educational background in the technology field and as an IT specialist focusing on delivering top result in systems and software development, I know I have what it takes to be an impressive performer at Metropol. I'm interested in this position as it appeals directly to my passion and interest to learn by working in a fast placed environment like your company.

My passion and enthusiasm for technology is un-matched particularly software, and my spare time is used to constantly enhance my IT skill set. If granted the opportunity to work with Metropol, I will bring that same drive and motivation to the team.

I'm very excited to learn more about your company and to develop my skills further. I have attached my resume, which further details my skills and educational background. Thank you for taking the time to review my application. Please reach out to me when you are available to arrange an interview and looking forward to hearing from you soon.

Sincerely,

Brian Auma
